

Merit Health – the largest network of hospitals in Mississippi – is working to transform healthcare for all of us.

Where are we?

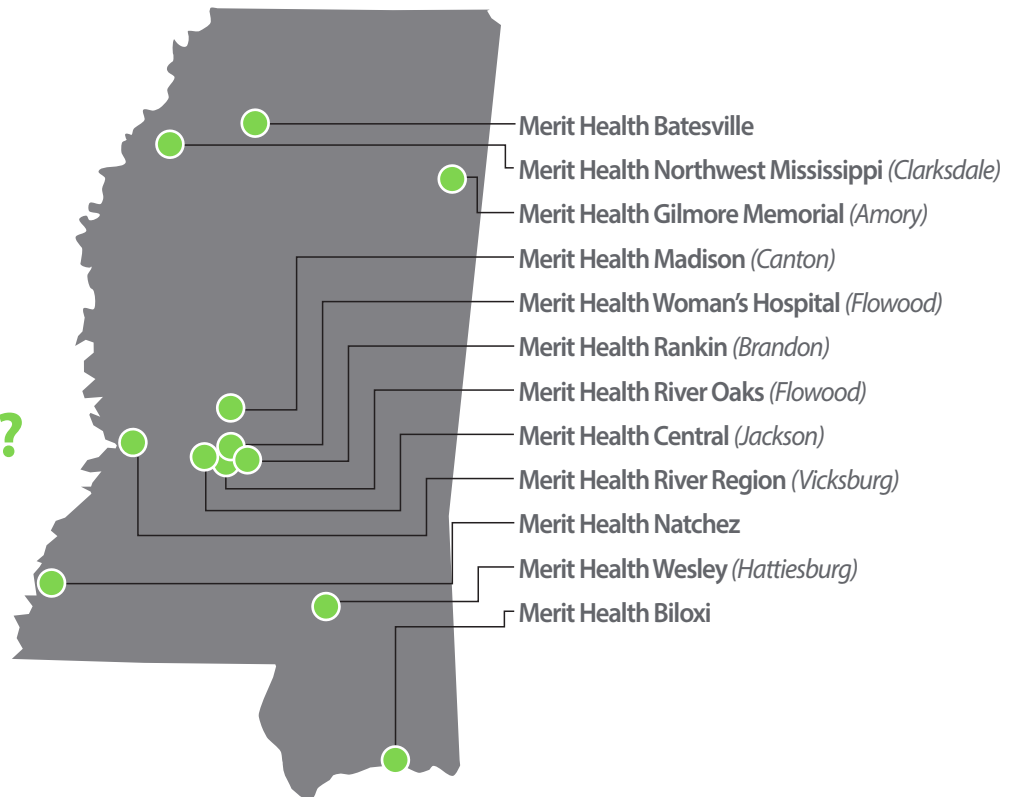

With **12 hospitals** and **120 physician practices**, Merit Health is located throughout Mississippi. When patients see the Merit Health name, they can know to expect the same high quality, personalized care – no matter what location they visit.

Who are we?

Merit Health has nearly **7,000 employees** and more than **2,500 physicians** on the medical staffs of affiliated hospitals.

Why statewide?

As part of a statewide network, Merit Health hospitals are able to use our size and shared resources to benefit our patients and communities.

Who do we care for?

Merit Health hospitals provide compassionate, quality care to our patients:

- 53,000 hospital admissions
- 300,000 emergency department visits
- 8,500 babies delivered
- 2,300 licensed beds

We also support our communities outside of our hospitals:

- \$500 million charitable and uncompensated care
- \$36 million in capital expenditures
- \$440 million in total salary, wages and benefits
